PROGRESS REPORT ON THE ATCHLEY FAMILY HISTORY BOOK

DEAR ATCHLEY COUSINS

I have been able to trace the Atchley Families that settled in or near Oak Grove,Ar. back to the Revolutionary War. Mr great, great, great, grandfather fought with General George Washington. I have photostatic copies of his will and his application for a Revolutionary War Pension. I also have tax records, census records and court records for this Revolutionary War Soldier.

I started work on this project in October 1987. At times it has been very frustrating and other times very rewarding. It would seem as though I had exhausted all areas of research, then a small discovery would shed new light. Finding the will and the Revolutionary War Pension application were expecially thrilling. I'm excited each time my Atchley Cousins contribute their family information. It means another link in the chain is completed.

I hope to be able to complete all of the descendants of Marion Atchley, Elias "Lye" Atchley, Sarah Elizabeth (Atchley) Standlee, John Atchley and Monroe Atchley. These five are the children of William R. Atchley and Martha Jane Keech.

I am also hoping to complete the lineage of Albert Atchley, younger brother to William R. Atchley. Albert and his wife Rebecca had three children Sarah,(Jefferies), Minnie (Rhodes) and Riley Atchley.

Any memories or stories you have been told about the families above or their children, I would be interested in hearing and publishing them providing the families would like to share.

Later I will be looking for pictures, group, school weddings or individual, etc. If you do have them please let me know so I can plan the space for them in the book. I will send for , copy and return to you just before the book is published. (The pictures that I am interested in are of William R. and Martha Jane Atchley and Albert and Rebecca Atchley and their children and grandchildren, or events of that time period.

I want to include the Military records of all descendants and their spouses if you will send them. I am also especially interested in listing any descendant or spouse who has been or is now serving in the Gospel Ministry, such as when, where or any interesting stories of their Ministry.

I have or can finish Marion, John, and Monroe Atchley's soon. I am now concetrating On Sarah E. Standlee and Elias "Lye" Atchley families. I am also working to complete the Albert Atchley family. I am also continuing my research for more information on our earlier ancestors.

If you have returned your family history, I thank you very much. If you haven't completed the forms yet or are receiving them with this letter, I am anxiously waiting to hear from you. I am hoping to have this project finished by late spring of 1989, so it will be available for Christmas of 89.

Thanking you in advance

Dear Betty Sue,

I called Reba Jean to find out if she might have the old family Bible of the Minick Clan. She did and also a book that you had on the Humbard Family that I was suprised and pleased to find, I amtrying to trace back to the same Thomas Atchley and his family. I already knew about the existance of a Lucinda Atchley Humbard, I found her in the Carroll County Historical Society in Berryville: but I had not run across the name of Anna P. Humbard, who you list as being married to Arthur Humbard.

I bought a book while on vacation this year in Sevierville, Tennesee entitled the Atchley Family History. In it I find Thomas Atchley's name and his wife Lucinda(Richards) Atchley and most of the family that you have listed in your book. They didn't know the last name of James Haggard's wife Anna, which you list as being the daughter of William Humbard.

Thomas Atchley fought in the Revolutionary war with General George Washington, his four brothers also fought in the revolutionary war.Thomas Atchley is quite famous in Sevierville, having his name on several historical markers, and is honored as being one of eight pioneers of Tennesee.

At the Library in Sevierville I found a complete lineage for the Haggard family dating back to 1433, for the Atchley family dating back to 1511, I made a copy of both of these records. They contain a quite a few pages each. I would be glad to make you a copy of each if you don't already have them.

I would like to have a copy of your book as it has a lot of my other relatives scattered through it and would save me a lot of time in research. I also took it with me to the Carroll County Historical Society and they were very impressed with it and would like a copy for their research files. If you don't have extra copies, I would like permission to make myself a copy and also one for the Historical Society.

I am looking for the name's of my great great grandparent's My great grandfather William R. (born in Tenn. Nov. 25, 1835) had a brother Albert Atchley born in Missouri 1853, W. R. Atchley had a son born in Missouri (Elias) in 1869, I found a John S. Atchley in the tax records in Carroll County in 1870 and 1871 but nothing else on him. This could be the missing link but if so John's father is probably a brother to Thomas Atchley. Thomas's youngest brother Abraham had a son named John. (The age is right).

February 2, 1989

Dear Betty ,

I finally was able to prove who my great, great, great grandfather was, as it turns out he is the brother to the Thomas Atchley that you list in your book as the father to Mary Atchley on page three of your book.

I found his will and his application for a war pension and an application from one of his descendants for membership into the Daughters Of The American Revolution. (I have had correspondence with the applicant she is ninety three years old).

My Revolutionary War ancestor's name is Joseph Atchley and is one of the brothers that is in the Atchley book that I purchased in Tennessee in 1987.

The reason I am telling you this is for two reasons, one that we are now officially kin to each other. and the other reason is that it opens up a whole lot of possibilities to who Lucinda Atchley and Anna P. Atchley might belong to, I haven't had time to research this out but the Joseph Atchley that I list above had sons, named Thomas, Joshua, Daniel, Moses, Elijah and my great, great grandfather Joel Atchley.

My great grandfather William was living next door to Lucinda in the 1880 census of Carroll County. Lucinda and Anna would be the right age to be first Cousins to him.

Also I found two of Joseph's brothers living in Rhea County, Tennessee in the 1830 census. Martin was the name of one of them and I found where some of his family went to Leclede County, Missouri.

This will give me something to research when I get my book finished.

I am making some progress on my genealogy search on the Atchley's but it is going slower now , I am down to the ones that it is like the old saying hard as pulling teeth to get them to answer my letters.

I am especially having trouble with the Elias Lye Atchley family the father of Frank Atchley. Franks family I have almost complete but they don't know very much about their cousins. It seems that they lived not too far from where you live at Grove, Oklahoma. Elias and two of his sons are buried at the Hickory Grove Cemetery.

The Mrs. Jim Mooneyham is probably from Elias "Lye" Atchley family. In one of your earlier letters you list a Mrs. Ben Atchley in Jay Oklahoma and a Nita Atchley they are probably connected to Elias Lye Atchley family.

I will write to the Mr. J. D. Haggard in Pittsburg, Kansas and see if any thing I have on the Haggard's will be of any help to him.

Gearl Atchley

I like the research sheets you used better than any I have found yet. Could you tell me where to purchase them?

Just in case you don't remember me I am Garland and Marie's youngest brother and the son of Alvin Atchley (who at 92 years old is living in the Hillcrest Nursing Home in Harrison)

Thanking you in advance for any help you can give in finding my missing link.

William Atchley is my great grandfather and the father of Marion Atchley, (my grandfather), Elias Atchley (father of Frank Atchley), Sarah (Atchley) Standlee (mother of Monroe Standlee), John Atchley (father of Alfred Atchley) and Monroe Atchley (father of Mae Allen).

Albert Atchley is the father of Sarah (Atchley) Jefferies (mother of Della (Jefferies) Vowell, Minnie Atchley (mother of Nellie (Rhodes) Roberts, Riley Atchley (father of Floyd Atchley.)

Lucinda would be a first cousin to William R. Atchley and Albert Atchley.

This Daniel, I believe to be the son of Joseph 1. see page 212 Atchley book. The only descendant I have been able to locate is Lucinda. Thomas, Martin nor Abraham had sons named Daniel. So I believe he belonged to Joseph. He was He was also on the 1860 census without Lucinda. The following will explain that.

We know that we have the right Lucinda even though they have Humbard spelled wrong (also Caswell).

I gave you the wrong Daniel in the llast letter that I sent you. I gave you Daniel Atchley 1 son of Joshua Atchlley 1.

It should have been Daniel Atchley son of Joseph Atchley listed as (3) a brother to Joel Atchley my great great grandfather.

Would this not make Caswell and Lucinda kin on the Atchley side from Thomas Atchley, father of Mary(Atchley) Haggard ?

They also have Lucinda's age as being born in 1836, we have it as 1832.

I received this information from Mr. Helton today thought that I would write you this soon so you if not already have this etched in stone ?

He didn't mention who Anna P. Atchley (married) to Arthur Humbard might be. But said that he would send more info. later.

February 22, 1990

Dear Betty,

I think that I told you to hold your phone in the last letter a few days ago on who Lucinda belonged to, I hope you have two phones looks like Mr. Helton has put Lucinda where she belongs with the Thomas Atchley I line. I thought that it was odd that she was sharing in the settlement of Thomas Atchley II estate.

I am enclosing the letter from Mr. Helton so that you can see how that he has placed Lucinda.

Also it looks as if he will eventually give me the information that I need to put the Atchley's in Harrison with us. (I don't want to ask for too much, I am going to let him send me about what he wants to.)

He has been working on the Atchley line for a long time and looks like you have more in common with him than I do as he is also a descendant of your Haggard line.

Maybe he will come by here this year and if you want I will bring him by Miami and maybe we can establish a good working relationship with him. (Also you might want to take us to the Cemeteries that has the Haggard's and Atchley's in them.)

Hope that we have Lucinda where she belongs, I said in my last letter we were closer kin than first thought well we can go back to being just kin ha.

I don't know if I mentioned to you I am going to go to Russelville, Ar. during the last week in March to put my book together, My daughter teaches Business at a Business College there and she has that week off. (Then I will go to a publisher.

Sincerely,

FROM THE DESK OF GEARL ATCHLEY

THE SURNAME ATCHLEY APPEARS TO BE LOCATIONAL IN ORIGIN AND IS BELIEVED TO BE ASSOCIATED WITH THE ENGLISH MEANING "DWELLER" AT, OR NEAR, THE GATE OF THE MEADOW "HATCH-LEA."

THE NEW DICTIONARY OF AMERICAN NAMES HAS ATCHLEY (ENG.) "DWELLER" IN, OR NEAR, AN OAK GROVE.

SIR. ROGER ATCHLEY , KNIGHT WAS THE "LORD MAYOR" OF LONDON, ENGLAND IN 1511. HE OWNED THE ESTATE OF SHORPSHIRE, ENGLAND. IT IS POSSIBLE THAT THIS LINEAGE OF ATCHLEY'S WAS THE FIRST TO MOVE TO LONDON, THEN LATER TO AMERICA.

February 16, 1990

Dear Betty Sue,

As the old saying goes hold the phone I gave you wrong information about who Lucinda belonged to. I received some information from Mr. Helton today that would indicate that I told you that Lucinda was a child of Daniel Atchley 1. when whe would actually be the daughter of Daniel Atchley, the son of Joseph Atchley 1.

I am enclosing a lineage chart that will explain.

Mr. Helton has helped in filling in some gaps that I have and am looking foreward to getting more information from him.

He didn't mention who Anna P. Atchley (wife of Arthur Humbard) was but I asked him for this information, he will probably send it in the next letter.

You mentioned that you had a tin type picture of Caswell and Lucinda Humbard, would you happen to have a negative of it ? Since we are more kin than first THOUGHT. I might like to use it in my book and for sure would like to have a copy of it.

I borrow a 35mm Camera and Lenses that I use to copy pictures with and they turn out real good, maybe sometime when you are coming down I can have the camera and take a picture of it.

Mr. Helton thinks that the rest of my lost family lives in Lebanon, Mo. (He thinks that he will come this way in the summer and will stop here before going on to Lebanon, I might go with him.)

"TO FORGET ONE'S ANCESTORS IS TO BE A BROOK WITHOUT A SOURCE, A TREE WITHOUT A ROOT."

Feb 15, 1990

Dear Gearl:

While going through some of the data that you sent to me, particularly the pages referring to Nelson, Jesse and Nancy Jane Atchley. The two pages stapled together starting with a page 3 of "Atchley's Unattached cont... and the page containing the letter from Wm. N. Atchley from the stockade at Springfield, Missouri. I would like to have page 1 and 2 of the above mentioned article if you have it. I am really grateful for the letter from William Nelson. There is no indication of what he was in the stockade for, but from the sounds of the letter it sure leaves a lot for the imagination. It sounds as if he may have even expected death. Nelson wrote the letter from the stockade at Springfield, Mo., on May 5, 1864. I official records of "Arkansas Cpnfederate Veterans and Widows pension Applications" that states he was killed Sep 4, 1864. (That info I gave you in the packet I sent earlier) I know that the Atchley book makes reference too a couple of stories about how Nelson and Jesse were killed and then the story about the bushwhackers on this page you sent. I feel that it needs a little more research. Although from the sounds of his letter unless he received a miracle, it sounds as if he may reached the end of his journey right there. If **he did, he must have been in a Union stockade.**

I noticed too, the cover page made reference to the fact that Jesse, Nelson and Nancy Jane were brothers and sisters. The Atchley book also implies this. So far that is not the case. William Nelson was a son of the Joseph Atchley II on page 227 of the book. Jesse, Angeline, and Rachel and Elizabeth were all children of Joshua and Dianah Atchley in Bradley County, Tn. William Nelson lived in Sevier County. I do not know who the Mary E. was that Nelson married but I am almost positive that she was a Johnson. They left Tennessee in 1857 and on the 1860 Newton County, Jackson Township census it indicates that all of Nelson and Mary's children were born in Tennessee. It also had Jesse and his sisters and Agitha and Jane Johnson listed. The 1870 census indicates that Jessee and Jane were married and it shows a Margaret Johnson living with the family of Nelson. I would assume that this is the Agitha that was listed on the 1860 census. there is 3 years difference in the age but close enough. But you see how the names change, that's what drives me up the wall. I have got to do a lot of work now in Bradley and McMinn counties and find out where the Johnson's and Caleb Hickman comes into play here.

I notice too, some discrepancies in regards to Caswell and Lucinda Atchley Humbard pertaining to the Humbard data. Based on the facts that the lady has down on the Caswell Humbard family. Lucinda Atchley, the daughter of Daniel cannot be the right one. After going over all of these family's having a few more facts, things look a little more differently. That is the reason you can't etch in stone so easily. Look at page 170 in the book at the family of Thomas Atchley II, There was one daughter indicated last that they did not have the name of. Based on the data that Betty Humbard Patton sent to you, things start to fit. Going back to the 1840 census Thomas had 5 sons and two daughters, they did not list names on the 1840, they just listed numbers and you had a 5 and 10 year age range. Apparently Maud Horn had the same problem everyone has. Lucinda had married prior to the 1850's and according to this lineage sheet she did, her first son was born in 1848. Thus she missed the 1850 census with her family. Now I will have to go back and check the Humbards and I bet I find a match. On the 1840 census she fits the age bracket. And that explains why she was involved in the property and estate division of Thomas with the rest of the family.

This is what a revised family group will look like:

	Born	Died	To Whom Married
Mary (Polly)	Jan 11, 1818	May 18, 1894	Martin Langston
Jack Atchley			
Thomas Atchley Jr.	1824	1886	Mary __________
Welcome H. Atchley	Aug 6, 1827	Jan 25, 1898	Nancy Ward
George) Daniel) GEORGE DANIEL			
Lucinda Atchley	Jan 17, 1832	Sep 17, 1903	Caswell Humbard
John B. Atchley	May 20, 1834	Sep 22, 1904	M. Addie Donohue

Before you release the above to anyone else run the George Daniel together as one, I got in to big a hurry. The above Nancy Ward was a Cherokee Indian heroine that made a local painter Ben Hampton very famous with her portraits, and now his paintings of her are very expensive. Her grave site on a little knoll on Highway 411 at Benton, Tn are Historic sites and is a tourist stop. She is buried there with two of her sons, one's name was Five Killer, I can't think of the other one. I have to dig further into the Humbards now and deeper into the Haggards

My great, great, great Grandfather Rev. John McCampbell Atchley, son of Benjamin Atchley I, married Lydia Haggard, daughter of Reverend James and Mary Atchley Haggard. Benjamin and Mary Atchley were brother and sister and were children of Thomas I and Lydia Richards Atchley. I havent dug into the Haggards and Maples or Humbards too much yet. I have tried to stay straight line Atchley, you have a tendency to stray too far off the track when you start researching family names. But now I'm at the point, just like this instance you have to start doing it sometime to get the cycle completed. But again, you can't avoid it, in this case we are working on Joseph and fill in some gaps on some more of Thomas I's line.

Gearl, again, I am sorry I was so slow on that other information. I don't have all my stuff on a computer, I need to but I don't, and I have to dig and recheck It's getting to the point though I am going to have to put it on a computer. I'm supposed to be retired but I work more now than I ever did. The weather is starting to break now and everyone is starting to want construction done. Before I got into construction I was a Financial and Tax Consultant, that's what I retired from first. I started doing construction as a hobby. Right now is the heart of the tax season and everyone is yelling for help and building is starting up. So that last packet you got was done between 11pm and 2 and 3 am in the morning. I didn't proof read what I typed and I know you got a few goof's. I am going to lighten up and you will get a better product.

I have run through several Anna P. Atchley's but none of them are the one that you and Mrs. Patton are looking for will try to zero in on her in the next few days.

Regarding your comments re Paul R. Sarrett, Jr. seems to me that I have communicated with him before. I can't remember right off hand. I have communicated with a few over the years. He is definitely a Geanealogy Researcher and a professional one. I know I have talked with him. I think maybe Jean Brown just has an aversion to the professionals. I don't really blame her. If you have got anything to give this guy he will take it and he will give you something back but I bet he doesn't give you anything you need. Then later any queries he gets, he sells the info. His game is to have the info to sell and he will sell it. I just don't trust them, I have tried to work with 2 or 3 of them. I just don't feel comfortable with them.

I have done research for other people in the past on non Atchley related names and I got paid for it, but I do not do that on Atchley business, the Atchley name and related names are sacred to me. I will give you any info you need or want but I will not sell it, I am just happy that there are others that are interested in thier heretege. There is darn good money to be made doing geanealogy research, you can make a $100. per hour plus expenses or more and that is not bad at all. Well, Gearl I will stop for now more to follow, let me know what you think about all the aforementioned.

Sincerely,

Bill Helton

HISTORY COLLECTION

THE ATCHLEY FAMILY

by Olive Atchley Latham

The Atchleys are of English origin, Sir Roger Atchley, Knight, being Lord Mayor of London in 1511. He owned the estate of Morten in Shropshire. It is possible that his line was the first to move to London and the present Atchleys descended from him. (From "Visitations of Shropshire".)

James Atchley was the emigrant from whom Thomas Atchley was descended. He came to this country probably from England and settled in Pennsylvania. His son was Joshua Atchley who lived in New Brunswick, N. J., and married Mary Martin, although he died in Loudon County, Virginia. He had five sons who fought in the Revolutionary War, one being Thomas. (From book by Mrs. Pauline McDonald, 3725 Normandy, Dallas, Texas.)

Joshua Atchley was living near Brunswick, Middlesex County, New Jersey in 1750.
His children:
Mary Atchley b. 1747, d. 1809
Thomas Atchley I, b. 1 May 1755, d. 11 Oct 1836, m. Lydia Richards
Daniel Atchley
Joseph
Martin
Abraham b. 25 Oct 1759

Joshua and family emigrated to Loudoun County, Virginia and he died there. He was a Baptist. His five sons served in the American Revolution under Gen. George Washington, which sons emigrated to Tennessee where they settled on Alder Branch, waters of French Broad River. They were all Baptists except Joseph, being afraid of water, joined the Methodist Church. (From the Horn book of the Atchley Family.)

Thomas Atchley was born in Middlesex County, New Jersey, 1 May 1755, and died 11 October 1836. He lived in Middlesex Co. until grown and entered the service in 1774 or 1775 and marched to Brunswick Town and placed under the command of Maj. Dynn. He then went to Amboy on bay opposite Staten Island and through Elizabeth Town, N.J. to Barragin Town opposite city of New York and was discharged..Then he was next under Capt. James Reddakin and Lieut. Thomas Cavin in Lowden (Loudon) Co., Va., and marched to Pittsburg, Pa. Then he went by boat to the mouth of the Wheeling River where he was stationed for six months. He then moved to Botetourt County, Va., on the banks of the Roanoke River and entered service under Capt. John Lewis and marched from Botetourt Co., Va. to Guilford County, N.C. and stayed there some time before he was discharged - one month in all. He entered the service a fourth time to disarm suspected Tories on Walker Creek, Va., disarmed some, and returned home after two weeks service. In all, he served 8 months, 2 weeks. First service, 1775; second, 1777; third, 1781; fourth, 1781. (National Archives, Washington, D.C.)

Thomas Atchley married Lydia Richards of Loudoun Co., Va., in 1780. She was born 18 Aug 1762. She drew a widow's pension from 1836 to her death in 1850. Thomas Atchley and family were in Tenn. by 1790 because the 1850 census record shows Benjamin Atchley, a son of 60 at that time was born in Tenn. They came to the county about the time of the Clacks and Elijah Rogers made oath that he knew Thomas Atchley. Lydia Richards Atchley was living with son Isaac in 1850 (census) and was then 88 years old. She must have died soon afterwards.

Thomas was a preacher and founder of Alder Branch Baptist Church (which is still active in 1970). The church was organized in his home. The grounds of the church and the cemetery were given by him to the church and he is buried there.

(Following taken from minutes of the above church book in the hands of Mrs. Will Dudley, Alder Branch, Sevier County.)

Enoch Atchley and Elizabeth Maples (also known as Esther and Easter) were married 31 Dec 1864 or 1 Jan 1865. She was the daughter of Rev. Gideon M. Maples and Nancy J. Runyan Maples. She was born in Sevier County 6 May 1848 and died 23 Nov 1925. She and Enoch are both buried in the Alder Branch churchyard in Sevier County. Since she was my grandmother, I can remember her well and as a child I always looked forward to going to her home for she would always treat us children with cookies or sweets.

7. James Walter Atchley b. 2-24-1889 in Sevier County. He continues to live at the home place near Alder Branch Baptist Church. On Nov. 1, 1969, he was brought to the Sevier County Hospital, Sevierville, with an apparent heart attack and still remains there as a patient. (Apr. 1970). He never married.

The Atchley's are of English descent. of Sir Roger Atchley, Knight, being Lord Mayor of London in 1511. He owned the estate of Morten in Shropshire. Our Atchley's desend from him. James Atchley came to America from England and settle in Pennsylvania. His son was Joshua Atchley I who married a Mary Martin + lived in Middlesex Co. N.J. in 1750. He died in Loudon Co. Va. He had a will as his brother Thomas was a witness on 22 Oct 1747. Joshua + Mary had 8 Children (1) Mary, (2) Rev. Thomas I married 1780 Lydia Richard (3) Daniel 4 Joseph, 5 Martin, 6 Maria, (7) Nathaniel 8 Abraham. Our line is Thomas I + Lydia Richards Atchley. He was born 3 May 1775 N.J. & Died 11 Oct 1836 in Tenn. When they move to Tenn. He started the Alder Branch Baptist Church as he was a Baptist minister. They both are buried Alder Branch Cemetery. They had 12 Children. (1) Mary married Rev James Haggard who's son James married Anna Humbard + Settle in Jasper Co, Mo. (2) Thomas II (B) 19 Apr 1796 (M) Sarah or Polly?, who ~~was~~ had Lucinda Atchley who married Caswell Humbard. They also had (1) Welcome (We have a Welcome Humbard named after him.) Who's married late in life, he had no children. He's buried Blue Springs Cem, in Bradley Co TN. He sold land for $1550. and gave the money to his 3 Sisters. Next was (2) Jack Atchley, He + his wife is also buried at Blue Springs Cem. (3) Thomas was in the Civil War & was on the Sultana that sunk 27 Apr 1865 in the Mississippi River. Also there was a cousin on the Ship Pleasant Atchley. There was 2100 on ship + 60 escape. Pleasant swam down River 3 miles & landed on an old house as the River was up. Thomas also escape he died 1886. (4) Mary married Martin Langston who had 9 Children. They are buried at Blue Springs Cem. (5) George nothing on him. (6) Daniel, he + his wife are buried Price Chapel Cem. Br. Co TN. (6) Elizabeth (M) David McCully + are buried Blue Springs Cem. (7) Lucinda our line married Caswell Humbard both are buried at Hale Cem. at Oak Grove, Ark.

There was a Martin Atchley, George Washington Atchley + Pleasant Atchley in Jasper Co b/4 Elizabeth Golden Humbard & her family arrive. Caswell brought land from Martin + George Washington who was Thomas + Lydia grandson 1866. These Atchley's were James Haggard + Lucinda relatives. I44 at Reed exit divides the land that James + Arthur Humbard owned, James land was North of the interstate & Arthur had 400 acres South. Caswell owned 2 miles on North. They lived there during the Civil War. Lucinda also had relatives to settle in Boone, Carroll +

Newton Co Ark. Some of the ones that were in Boone Co came to Ottawa Co Okla & were my neighbors & worked with them. Didn't know they descents of Atchley for years. Until I got Paul Atchley book found their names in it. Lucinda & Caswell had lost 6 children all to die young while in Jasper Co. They were unhappy & home sick. They sold out, started back 1868 to TN. got to Carroll Co Oak Grove & she had cousins living there who descend from. Joseph Atchley son Joel brother to our Thomas, who's son Joel & family were living there. I don't know why they came there as nothing to draw them except land. The Atchleys of Boone Co married into the Shaddox, Moores, & Coffman's which were my mothers cousins, A cousin W.C. Moore owned the telephone Co at Harrison for many years. Joel Atchley moved to Oak Grove 1841 Joel was killed by the bush wockers. All the Atchley were mostly of Baptist faith & before they killed Joel he asked them if he could pray on his land before leaving it. As he kneeled, the bush wockers shot him. The Atchleys were from Tenn. & were loyal to the Union, and didn't believe in Slavery. There were Republicans. Joel son, William is bureed behind Lucinda at Hale cemetery.

Joshua had 5 sons that fought in the Revolutionary war under General George G. Washington. All 5 emigrated to Tenn. settle on Alder Branch, waters of French Broad River. One son, Joseph decline from the Baptist faith because he was afraid of water & he became a Methodist.

Many of the Atchley married cousins and the men were mostly Baptist ministers of Baptist faith.

Thomas & Polly Atchley place joined Elizabeth Golden Humbard place & were Neighbors. The Atchley were also in Rhea Co when the Humbards were. I understand there ~~was~~ an old Cemetery on Thomas place. Since we cant find where Thomas & Polly were buried its possible they were buried at this Cemetery also William Humbard since he lived Neighbors to them. When we were in Tenn last time We had the honor of standing on Ground where Welcome Atchley lived. Arless showed us where they all lived.

Thomas + wife Lydia + 3 daughters left Virginia in 1786 after thier harvest for Sevierille TN where they knew was good fertile land and very good hunting ground. The road to TN was only an Indian trail through mountains. There were no wagons until 1776 there. They all walk or rode horseback. There was no luxury, salt was $10 bu which was very expensive, sugar maple syrup was the only luxury, coffee + tea was unknown, sugar was very seldom made + when they did it was only for the sick. All clothes were home made, shoes was only worn in the winter months. Settlers had only few tools, they were only axe, hachet, butcher knife, saw, augers & a broad axe + a rifle was a must. No sawmill was in existed. All wood was sawed + split by hand. The cabins they built were of logs, dirt floors + no glass in the windows, they were covered by dry hides they had no acknowledge of corn until 1790 the Indians told them about it. They learned they could eat it make bread & use it for mush. Corn then was one of their main crops. The settlers helped each others. The Indians very displeased with the white people moving into their territory so there were fighting among them + many whites were scalped and killed and whole families wipe out. This part of Tennesse was in a valley surrounded by mountains. The land was so fertile there 1500 species of flowers that blooms B/4 June each year. Due to the height of the mountains + depth of the valley the Appalachain mts are among the oldest in the world. You will find the finest virgin hardwood in the world here. There is 152 species of trees that grows to 6-4-8-feet in diameter. No wonder our ancestors went to TN.

Atchley

FROM THE DESK OF GEARL ATCHLEY

THE SURNAME ATCHLEY APPEARS TO BE LOCATIONAL IN ORIGIN AND IS BELIEVED TO BE ASSOCIATED WITH THE ENGLISH MEANING "DWELLER" AT, OR NEAR, THE GATE OF THE MEADOW "HATCH-LEA."

THE NEW DICTIONARY OF AMERICAN NAMES HAS ATCHLEY (ENG.) "DWELLER" IN, OR NEAR, AN OAK GROVE.

SIR. ROGER ATCHLEY , KNIGHT WAS THE "LORD MAYOR" OF LONDON, ENGLAND IN 1511. HE OWNED THE ESTATE OF SHORPSHIRE, ENGLAND. IT IS POSSIBLE THAT THIS LINEAGE OF ATCHLEY'S WAS THE FIRST TO MOVE TO LONDON, THEN LATER TO AMERICA.

Dear Betty,

Sorry that I haven't written to you before now but I have been very busy corresponding with Atchley Copusins (some of which are slow in geting me their family history to me bet you know what I am talking about.)

I have over one hundred pages of material finished for my book which I am calling Dweller's In Or Near An Oak Grove, I still like filling in some blanks on about fifty pages. I probably will stop and put together what Ihave gathered in a few weeks as I have over 85% completion plus a lot of early history.

I have just in the last few weeks got the biggest break on the earlier Atchley's I have been in contact with a Mr. William E. Helton in Chattanooga, Tennessee whohas been working on the Atchley history since the 1950's, The first thing I asked him did he know who Lucinda (Atchley) Humbard belonged to, he said that she was a daughter of Daniel Atchley a brother to your Thomas and my Joseph.

He is putting together a genealogy line on all of the Atchley's that he has. (I will send to you when I get it.)

I told him that you were very interested in who Lucinda and Anna Atchley were. He is interested in corresponding with you about the Humbard's as there must have been a lot of the Atchley and Humbard's that were married in the early days.

Sincerely,
Gearl Atchley

Hugh and Geneva Atchley celebrate 47 years together

The children of Hugh and Geneva Atchley would like to honor their parents for 47 years of marriage.

Hugh and Geneva Atchley were married Aug. 1, 1954, on the Arkansas/Missouri line in a double ceremony.

With the '53 Ford straddling the Arkansas/Missouri line, the presiding preacher sat in the front seat with LeJoy and Georgia Ann Ware (on the Missouri side, because they had a Missouri license). Hugh and Geneva sat in back (Arkansas side) as the preacher leaned over the seat.

The rain poured down as the two couples each started their walk together.

Hugh and Geneva lived in Wichita, Kan., for 15 years. Hugh worked for Boeing Aircraft, then Freez Electric. Geneva raised babies. Then, desiring to raise their children in a better environment, they moved back to Arkansas.

Hugh established Hugh Atchley Electric and later worked on the maintenance crew for Tyson Foods for 15 years. Now in semi-retirement, he owns and operates Hugh Atchley Courier and Delivery Service. Geneva worked as a U.S.D.A. food inspector, and together they owned a laundry and dry cleaning business.

They raised six children: Russell, Clyde, Carol, Bret, Kevin and Suzanne Atchley – as well as numerous other children along the way. They are loved and respected greatly by all their kids.

Hugh and Geneva are Christians and are members of the church of Christ in Berryville.
